SURFACEXPO
SURFACE TREATMENT & COATING
1st Edition

September 26 27 28 2024

@ The Grand Castle
Gate 6, Palace Grounds, Blore

Embrace Change and Propel Your Business Forward amidst evolving landscapes, Surface Coatings stands as a vital sourcing platform for tens of thousands of manufacturers across diverse sectors. With over 100 brands, it serves as an annual industrial gathering, fostering discovery of the latest surface treatment, painting, coating technologies and techniques.

Surfacexpo marks a significant milestone as the first event organized by LUB Bangalore North and one of its kind in Karnataka exclusively for Surface Treatment & Coating Solutions. Get ready to engage and embrace the new future of surface treatment and finishing in this groundbreaking exposition in September 2024. This pivotal event offers an unparalleled platform for industry collaboration and technological exchange. Participants can seamlessly connect with a select audience, forging new client relationships while exchanging crucial information.

Key Highlights:

Business Cooperation: Forge alliances and explore technological advancements crucial for business growth.

Technology Dealings: Discover cutting-edge solutions and innovative techniques to stay ahead in the market.

Specialized High-Energy Finishing: Address the need for specialized finishing procedures to enhance surface profile precision.

Industry Impact: Equip manufacturers and surface finishers to navigate increasing complexities and meet the exacting standards of mechanical products.

Performance Integrity: Learn novel techniques and modern technologies to enhance component performance and prolong service lives.

As we gear up for the October 2024 exhibition, LUB's Surfacexpo is poised to empower companies to achieve performance excellence and elevate service standards across their product portfolios.

Stay Connected:
